# MEET THE CREATIVE TEAM

**Claudia Bertasso** (Director/Choreographer): The 28-year-old graduated from Barry University in Miami, FL with her BFA with a specialization in acting and fight choreography. Born and raised in Schenectady, her love for the arts began as a child at Schenectady Civic and grew more at the high school with Blue Roses where she was always either on stage or backstage doing makeup design and execution. She does everything thinking of her mom who began her love of everything performance, her dad who is always her number one fan, and Bill Ziskin who gave her the tools and the confidence to make the arts her life.

**Renée Roy** (Costume Coordinator): Renee is a costume designer and coordinator working in the Capital Region. She began her professional work with the Collaborative School of the Arts in 2023, after many years of working in community theatre. Since then, she has designed for multiple Acting Academy and Broadway Camp shows, as well as directing MainStage productions for The RPI Players in Troy. Renee graduated from Rensselaer Polytechnic Institute in 2022 with a Bachelors of Science in Design, Innovation, and Society.

**Gianna Taylor** (Stage Manager) is thrilled to be a part of this production! She is incredibly proud of the students in this production for putting together such an awesome show. She would like to thank their friends and family for their unwavering support and love. As well as the crew for making this such an enjoyable experience.
